

# Adopt-a-Day

**The Barker Family**

*Offers a unique build-site experience that enables your group to invest in the community. Adopt-a-Day offers the opportunity for individuals to bring their talents and have a direct hand in helping build a home.*

## **Provide a long-lasting contribution**

Provide a lasting impact to our families through our Adopt-a-Day team build package.

## **Team benefits**

Your team works together, gaining cooperation skills and a great sense of personal satisfaction.

## **Fight against poverty**

In the process, you will become directly involved in the fight against one of the major causes of poverty - the lack of affordable houses for hard-working, low-income families.

## **Help with building materials**

As an Adopt-a-Day participant, you help pay for the building materials which greatly helps with the construction costs.

## **How Adopt-a-Day Works**

**Step**

**1**

Designate an inspiring leader, then choose a fun team name.

**Step**

**2**

Recruit up to 9 others to join you in building together. No experience necessary!

**Step**

**3**

Get creative, motivate your team and raise \$2,500 or \$5,00 to sponsor your Adopt-a-Shift or Adopt-a-Day Package and help pay for building materials.

**Step**
